MR TEOH ENG-HONG (SINGAPORE)

Mr. Teoh's serious association with show dogs started with Boxers in 1967 when he saw CH. Panfield Cassidy owned by Prof. and Mrs. Oehlers at the 3rd Championship Dog Show in Singapore. From a breeding of a daughter sired by US import, CH. My-R Penny Ante (an Ovation son) to their dog, a Cassidy son, he produced the first Boxer Champion to be bred in Malaysia, CH. Teohlin Sasha. Other US imports joined their kennel, US/Mal CH Treceder's Liberty Bell and Mal. CH Bry- Crest Galle's Kicker and these in turn produced more Champions for the Teohs under their kennel name, TEOHLIN.

Mr. Teoh moved back to Singapore in 1980 and subsequently relocated to London in 1986 where he remained for over three years. Whilst these moves interrupted his Boxer breeding programme, the Teohs managed to finish Champions in L/H Dachshunds, Chow Chows and L/C Chihuahuas. They continued to keep Boxers in the US and together with Mrs. Eileen McClintock of the famous Holly Lane kennels in US, they have so far co-bred 3 US Champions, one of which, US CH. Holly Lane Baccarat of Teohlin, won the stud dog class at the 1997 American Boxer Club National Specialty Show and the sire of ABC's winner's bitch in 2000. Baccarat and his litter brother, US CH. Holly Lane Fantan of Teohlin have since become US sires of merit. He is the co-owner of the second ranked Boxer in US for 2006, CH Burwood's Drive'm Wild Dreamweaver. He has also co-owned Boxers with Cora Verhulst of Tradonalee Kennels in Vancouver. He has had similar success in Chihuahuas with Champions in US, Japan, Philippines and Singapore.

During his stay in Malaysia, Mr. Teoh was the President of the Malaysian Kennel Association in the mid-70's. Whilst in Singapore in the 80's, he served as Director/Treasurer of the Singapore Kennel Club and he was also the Chairman of their Judges' Training Scheme. He was appointed a Championship Show Judge for Working and Pastoral breeds in 1985 and has since judged in South East Asian countries, Australia, New Zealand, the UK and US. He now lives in Singapore where he keeps Chihuahuas. He has had great success with Chihuahuas making up Champions in Singapore, US, Japan and the Philippines. His stud dog, AM/Spore CH Ouachitah Yeoman, was top producer of all time for all breeds in Singapore with 11 Champions.

He is licensed by the Singapore Kennel Club to judge the working and pastoral groups at Championship Show level and Hound Group and Chihuahuas at Open Show level.

CHAMPIONSHIP DOG SHOWS

At our Dog Shows, there may be a number of competitions going on at the same time – Conformation Dog Shows, Obedience Trials, Agility Trials, etc. The key Shows for the Singapore Kennel Club are the SKC Championship Conformation Shows. In addition, to enable our dogs to be internationally recognised in quality, Federation Cynologique Internationale (FCI) and Asia Kennel Union (AKU) Shows are often held in conjunction with our SKC Championship Shows.

A Conformation Dog Show is like a beauty contest. Every breed has a written standard based on its country of origin, describing in detail what a perfect specimen of a breed should look like, from head to toe, the size, the colours of the coat, how it should move and how it should behave. All Conformation Dog Shows under the SKC use the same breed standards and the same group classifications. In addition an exhibit also needs to be handled well in order to show off its virtues to their best advantage.

The Judge compares the exhibit that is being judged with this standard according to his/her interpretation. As breed standards are not of mathematical precision and Judges' experience are not identical, the Judge's interpretation of the standard may vary with different Judges placing more importance in different aspects of the breed standard. Hence, results for the exhibit may vary from Show to Show. However, real quality always reaches the top and to be a Champion, a dog must have won their qualifying awards under different Judges at different Shows.

There are different qualifying requirements for Championship status awarded by each organisation (SKC, FCI and AKU). SKC awards one Challenge Certificate (with the relevant points) for each sex for each breed for each Championship Show. A SKC Champion needs a minimum of 60 Championship points. SKC Challenge Certificates are also awarded at FCI and AKU shows.

FCI awards a certificate called The FCI CACIB at the FCI International Show only to the qualifying winner from qualifying classes, one for each sex in each breed. 4 CACIBs are required under different FCI judges to qualify for FCI International Champion status /title.

At the AKU Championship Show, the AKU Challenge Award (AKU –CA) is awarded to each of the 3 Best In Group winners. The exhibit has to be at least 18 months old, be an SKC Champion and obtain 3 AKU-CAs under 3 different judges to qualify for AKU Asian Champion status.

Points will also be awarded at all these Championship Shows to all Best of Breed winners towards their title of Grand Singapore Champion.

For each breed, prizes will be awarded as follows: -

1 dog in a Class	: 1 st prize
Less than 5 exhibits in a Class	: 1 st and 2 nd prizes
5 or more exhibits in a Class	: 1 st , 2 nd and 3 rd prizes

There are also Best of Winners (BOW), Best of Breed (BOB), Reserve BOB and Best Opposite Sex (BOS) as applicable for the Shows.

However should the Judge consider that the exhibit to be not up to the standard, he may withhold the prize or award a Second Prize instead of the First Prize. Similarly, the Judge may withhold the FCI CACIB, AKU Challenge Award or SKC Challenge Certificates if he/she thinks fit.

From breed level, exhibits which are successful will proceed to compete at the next level, i.e. the Group level in the Group Specials and winners at Group level will then proceed to the highest level, Best In Show Specials.

NOTICE TO EXHIBITORS AND OTHERS

DO'S

Do collect your Prize Cards and Challenge Certificates of previous shows from the announcer's table.

Do help keep the place (inside and outside) as clean when we leave as when we arrive.

Do please check that your Entries are correct in the Show Programme. (If not, report earliest to the Show Secretary).

Do remember that all exhibits must at all times be controlled on a leash, including in the Show Ring, except during Obedience demonstrations.

Do remember the S.K.C. Ruling that every dog in the ring must be handled by a separate individual i.e. no person may handle more than one dog in the ring at the same time. Exhibits will not be allowed in the judging ring at any time except when required for showing.

Do put your mobile phone to silent mode as loud ringtones can be distracting.

Do take note of the Notices put up by SKC at the show venue. They should be followed.

DON'TS

Don't expect to win a "Best In Show" the first time you exhibit.

Don't overlook the fact that all exhibitors cannot be winners.

Don't fail to compare carefully your exhibit with the winners. It may be the means of your seeing where your dog fails.

Don't be a bad sport and grouse at the judge. You entered to get the judge's opinion, so let it rest at that.

Don't forget a great essential to showing is proper training. An exhibit that has not been trained has no chance in strange company and will sadly disappoint you with its deportment in the ring if you failed in this aspect.

Don't remove your dog from its location in the paddock, except when required in the show ring or for purposes of being exercised, which should not be longer than 10 minutes at any one time.

Don't remove your dog from the show before the end of the show. The public pay to see your dog and expects to see all exhibits to make their own comparisons and they want to see the non-winners as well as the winners.

Don't leave your dog unattended. The S.K.C. and the show organizers will not be held responsible if any dog strays or is found to be missing from the show premises.

Don't forget that the committee earnestly seeks your active co-operation to ensure a successful show and asks that you do your part to carry out all regulations.

Don't pat or touch a strange dog. It may bite you.

Don't use flash when taking photos. It may distract dogs and handlers.

Do not move or remove barricades, flower pots or equipment from their original positions. They are there for a reason.

Handling In The Ring

It should be specially noted that children under the age of 12 will not be allowed to handle except in the Junior Handling Class, unless they can satisfy the stewards that they are capable of exhibiting the dog correctly.

QUALIFICATION FOR SINGAPORE KENNEL CLUB (SKC) CHAMPION STATUS

1. This Championship status is awarded by the Singapore Kennel Club.
2. SKC Challenge Certificates (CC) are only awarded at Championship Conformation Shows organized by (or under license from) SKC. Only 1 CC is awarded for each sex for each breed, subject to the Judge considering the exhibit to be of sufficient merit worthy of the title of Champion.
3. CC will be competed by exhibits which are not SKC champions on the day of the Show and beaten winners of each class for each sex.
4. A minimum of 3 CCs under 3 different Judges at 3 different Shows (with a total of 60 points) are required by each dog to qualify for the title of SKC Champion.
5. The number of points attached to each CC obtained at each Show is solely dependent on the number of actual exhibits in each breed present at the specific show as follows:

1 to 2 exhibits	=	10 points
3 exhibits	=	15 points
4 & above exhibits	=	20 points

The maximum number of points for any CC at any one Championship Show is 20 points irrespective of level of achievement stated in point 6 below.

6. The number of actual exhibits used in the points calculation is determined by the highest level of achievement by the exhibit for each breed at the Show as follows:
 - 6.1 CC winner only – all qualifying dogs or bitches present.
 - 6.2 Best of Winners (BOW) – where the CC dog or bitch wins BOW, all qualifying breed exhibits both dogs and bitches
 - 6.3 Best of Breed (BOB) – where BOW wins BOB, actual number of exhibits will include exhibits from Champion Class
 - 6.4 Reserve Best Of Breed (RBOB) – where BOW wins RBOB, actual number of exhibits will include exhibits from Champion Class less BOB winner.
7. Upon Governing Council's (GC) confirmation, the SKC Champion title shall be awarded when a dog or bitch has accumulated 60 points under the above rule.
8. As a result of multiple Shows during the same day, it may be possible for the exhibit to achieve the required 60 points for Champion status at the first Championship Show of the day thereby disqualifying the exhibit for CC contention at the second Championship Show of the day. Upon checking the final results after the Show, the GC may award the Reserve CC winner with the points based on the number of exhibits beaten by the Reserve CC winner.

SKC GRAND CHAMPION

The Grand Singapore Champion title shall be awarded when a dog or bitch has accumulated 400 points. Points can only be accumulated after obtaining the title of SKC Champion. 20 points will be awarded for each BOB win at each Confirmation Championship Show.

QUALIFICATION FOR AKU ASIAN CHAMPION STATUS

1. At Conformation Championship Show designated by SKC as Asian Kennel Union (AKU) Championship Dog Show, in addition to the SKC CC, the exhibit, provided it is considered to be of sufficient merit, will also be eligible for AKU Challenge Award (AKU-CA).
2. AKU-CAs are presented to the first 3 Group Winners of each of the 7 Groups.
3. To qualify for the AKU Asian Champion title, the following conditions need to be fulfilled:
 - 3.1 3 AKU-CA must be won under 3 different Judges.
 - 3.2 The dog/bitch must have obtained its SKC Champion title.
 - 3.3 The dog/bitch is at least 18 months old.
4. To receive recognition of the AKU Asian Champion title, the host club of the dog/bitch must make the necessary submission to the AKU Secretariat.
5. The title is conferred by the AKU. All records of AKU-CAs and AKU Asian Champion title issued will be maintained by the AKU Secretariat.
