MR. NEIL KAY (SOUTH AFRICA)

Neil Kay has spent his entire life with Show dogs, as both his parents were very involved.

He has been involved in the 'political' side of Show dogs, having been a Chairman at both the All Breeds, Specialist Clubs and at Championship Shows. For his dedication in furthering the interests of the Kennel Union of South Africa (KUSA), he was awarded the honour of Life Vice President of KUSA.

Together with his wife Janet, he has had a very successful Dog Show career, having bred and won Best In Show with Long Haired Dachshunds, Whippets and Chinese Crested and in addition has made Champions in other breeds including Ridgebacks, Smooth Fox Terriers and Boxers. Their greatest achievement was to win the South Africa Dog Of The Year award with a homebred Whippet, the only Whippet ever to achieve this honour.

Neil has judged Championship Shows in Brazil, Argentina, Australia, New Zealand, Norway, India, Germany and the United Kingdom. In addition, he has judged in all the countries in Africa that hold Dog Shows.

Currently, he is campaigning a Longhaired Dachshund and a Pomeranian. He remains in constant demand at South African Shows as a judge of all varieties.

MR. THANAKRIT PATHINYAWAT (THAILAND)

Mr. Thanakrit Pathinyawat is a Barrister at Law in Thailand.

He is a Pomeranian breeder and his kennel name is “P.T. Pomeranian House”. He had bred more than fifty (50) Pomeranians.

He had an interest in showing dogs and started in 1992. With his chosen breed, the Pomeranian, he had over a long period achieved several high honors. He had handled his home bred Pomeranians in a number of Shows in Thailand

He started his judging career in 1997 and travelled throughout Thailand to judge at All Breeds Open Shows. He was approved by the Kennel Club of Thailand to award CC's for the Pomeranian in 2001 and was approved as an FCI All Breeds Judge in 2010.

Mr. Thanakrit Pathinyawat was also the President of the Pomeranian Club of Thailand and the Secretary of the Thai Ridgeback Dog Development Club.

From 2001 to 2005, he served as the Registrar of the Kennel Club of Thailand. For four (4) years, i.e. from 2005 to 2009, he was the Secretary of the Judges' Committee. He was the Assistant Secretary General of the Kennel Club of Thailand from 2007 to 2009. Currently, he is the Assistant Chairman of the Judges' Committee.

DOG SHOW

A dog show is something like a beauty contest.

Every breed has a written standard that describes what the head of a particular breed should look like, its body, forelegs, hind legs, tail placement etc. In other words, the breed standards describe what a perfect specimen of a breed should look like, from head to toe.

The Judge compares the dog that he/she is judging with a perfect specimen according to his/her interpretation of the standard. The Judge's interpretation of the standard can vary, and that is why a dog that has won at a previous Show may not win at a following Show under another Judge. This makes Dog Shows all the more interesting.

In addition to the dog's conformation, the Judge also looks at his movement, which must not be faulty. He/She makes the dog gait away from him/her to see the action of the hindquarters; across the ring, to see if his movement has sufficient drive and power and towards him/her to see the action of the front legs.

Temperament is also taken into account. A dog that is nervous and shies away from the Judge, or one which tries to bite him/her is penalized.

In order for the dog to give his best in the ring, he must be handled well and classes are held by the SKC in Show handling. Bad handling can ruin the chances of a good dog.

SKC organises FCI International Shows, AKU Championship Shows and SKC Championship shows where the FCI CACIB, the AKU Challenge Award and the SKC Challenge Certificates (CCs) are offered. At an FCI International Show, the CACIB and CCs are awarded to qualifying dogs. At an AKU Championship Show, the AKU Challenge Award is awarded to 3 Best In Group winners and CCs are awarded to qualifying dogs. At an SKC Championship show, CCs are awarded to qualifying dogs. These are special awards that are given to the best of each sex of a breed but only if the Judge thinks that the exhibit is worthy of being an International, AKU Asian and/or Singapore Champion. The judge may withhold a CACIB, AKU-CA or the C.C.

Prizes will be awarded as follows: -

1 dog in a Class	:	1st prize
Less than 5 exhibits in a Class	:	1st and 2nd prizes
5 or more exhibits in a Class	:	1st, 2nd and 3rd prizes

N.B. Despite the fact that the 'First Prize' can be awarded if there is only one dog in a Class, should the Judge consider that the exhibit is not up to the standard, he may withhold the prize or award a Second Prize instead of the First Prize. Similarly, the Judge may withhold the FCI CACIB, AKU Challenge Award or Challenge Certificates if she/he thinks otherwise.

JUNIOR HANDLING

The Junior Handler need not be a relative of the owner of the dog. The Junior Handler should be capable of controlling the dog he/she is showing (i.e. small children should not be entered with very large dogs that they cannot manage). For the sake of fairness to other competitors, any dog that is not under reasonable control by its handler will be withdrawn from competition by the stewards.

HANDLING IN THE RING

It should be specially noted that children under the age of 12 will not be allowed to handle except in the Junior Handling Class, unless they can satisfy the stewards that they are capable of exhibiting the dog correctly.

NOTICE TO EXHIBITORS AND OTHERS

DO'S

Do collect your Prize Cards and Challenge Certificates of previous shows from the announcer's table.

Do help keep the place (inside and outside) as clean when we leave as when we arrive.

Do please check that your Entries are correct in the Show Programme. (If not, report earliest to the Show Secretary).

Do remember that all exhibits must at all times be controlled on a leash, including in the Show Ring, except during Obedience demonstrations.

Do remember the S.K.C. Ruling that every dog in the ring must be handled by a separate individual i.e. no person may handle more than one dog in the ring at the same time. Exhibits will not be allowed in the judging ring at any time except when required for showing.

DONT'S

Don't expect to win a "Best In Show" the first time you exhibit.

Don't overlook the fact that all exhibitors cannot be winners.

Don't fail to compare carefully your exhibit with the winners. It may be the means of your seeing where your dog fails.

Don't be a bad sport and grouse at the judge. You entered to get the judge's opinion, so let it rest at that.

Don't forget a great essential to showing is proper training. An exhibit that has not been trained has no chance in strange company and will sadly disappoint you with its deportment in the ring if you failed in this aspect.

Don't remove your dog from its location in the paddock, except when required in the show ring or for purposes of being exercised, which should not be longer than 10 minutes at any one time.

Don't remove your dog from the show before the end of the show. The public pay to see your dog and expects to see all exhibits to make their own comparisons and they want to see the non-winners as well as the winners.

Don't leave your dog unattended. The S.K.C. and the show organizers will not be held responsible if any dog strays or is found to be missing from the show premises.

Don't forget that the committee earnestly seeks your active co-operation to ensure a successful show and asks that you do your part to carry out all regulations.

Don't pat or touch a strange dog. It may bite you.

POINT SYSTEM FOR SKC CHAMPION TITLE

- 1 to 2 dogs/bitches present in the Breed at the show = 10 points
3 dogs/bitches present in the Breed at the show = 15 points
4 and above dogs/bitches present in the Breed at the show = 20pts
- The points for the Challenge Certificate winners (“Challenge Winner”) will be based on the total number of exhibits of the same sex present in the Breed at the show, beaten in accordance to the above schedule.
- Where the Challenge Winner takes the Best Of Breed (BOB), then he/she is entitled to the maximum 20 points, if his/her points were lesser than its CC points.
- Where there is/are no exhibit/s in the Special Class, the Challenge Winners will compete for BOB. The BOB winner will be entitled to the same points as the opposite sex, if its points are lower than the other.
- When an exhibit from the Specials Class wins BOB, its 20 points will go towards its Grand Champion title.
- When there is only one exhibit in the breed, the Challenge Certificate points will be 10 and the dog/bitch will be eligible to compete for Best in Group.
- The maximum points that can be won at each Championship Show are 20 points.
- Subject to the Governing Council’s confirmation, the SKC Champion title shall be awarded when a dog/bitch has accumulated 60 points
- These 60 points must have been awarded by 3 different judges.
- Subject to the Governing Council’s confirmation, the Grand Champion title shall be awarded when a dog or a bitch has accumulated 200 points from Challenge Certificates and BOB and 1 Best in Show.

AWARDS AND TITLES FOR FCI INTERNATIONAL DOG SHOW

The FCI CACIB is presented to qualified dogs. The only dogs which can be taken into consideration for the CACIB are those which have been awarded "EXCELLENT 1ST" in the INTERMEDIATE, OPEN AND CHAMPION CLASSES. A CACIB can only be awarded if the said dog has been assessed as being of superior quality. The CACIB is not automatically and compulsorily linked to the EXCELLENT 1ST.

The Reserve CACIB is awarded to the second best dog which was given the qualification "EXCELLENT" for the above mentioned Classes. It is however not compulsory to award the Reserve CACIB. The judge awards CACIB and RESERVE CACIB according to the quality of the dogs.

Only one judge for each sex and breed carries out the granting of all awards, including CACIB, and this judge shall be appointed in advance.

4 CACIB's awarded by 4 different judges from 3 countries, entitles the dog to an International Champion title.

Please note that FCI no longer send the CACIB Certificates to NCOs. You may visit FCI website to download the official copy of the CACIB Certificates.

AKU Challenge Awards are presented to 3 GROUP WINNERS in each GROUP. 3 AKU Challenge Awards presented by 3 different judges entitles the dog to the AKU Asian Champion title.
